

## Mission

### Exalting...

To allow the Spirit of God to fully use my body, mind, and spirit as His holy dwelling place, to exalt the Lord in Worship, and to use my feet as His instruments of healing, warfare and deliverance as a mighty weapon leashed against the enemy's kingdom. Only through total surrender can Christ be exalted in my life and His glory manifest in the earth!

### Evangelizing...

To assist churches, ministries, and community organizations in utilizing the Creative Arts as a method for evangelizing the lost and winning souls to Jesus Christ, healing the broken hearted, and setting captives free. Luke 4:18

### Educating...

To teach the body of Christ how to establish Creative Arts Ministries on a Christ centered, Holy Ghost empowered, biblical foundation that is saturated with prayer. To instruct the body of Christ in the proper use and purpose of worship and warfare tools. (Flags, Streamer, Tambourines, Fans etc.)

### Exhorting...

To encourage the body of Christ to experience and understand the importance of operating in the Ministry aspects of the Creative and Ministering Arts - (Healing, Deliverance, Warfare, Prophetic, Travail) in addition to Praise and Worship.

### Equipping...

To provide the body of Christ with valuable training and marketing resources (Books, CDs, DVDs, TShirts, Flyers, and Web/Graphic Design ) in order to enhance their Creative Arts Ministries and encourage them to operate in a spirit of excellence.

Reaching Hearts

Minister Elizabeth Brown teaches the word of God with prophetic revelation. The ministry conducts seminars and teaching workshops for churches and ministries in order to assist them in establishing Creative Arts ministries on a Christ-centered biblical foundation.

Elizabeth has a burden for winning souls to Christ and touching lives through the Creative Arts. She previously produced *Reaching Hearts Through the Arts*® television program and published *Weapons of Mass Destruction* a Creative Arts Ministry Manual for the body of Christ.

Elizabeth also directs the Salt and Light Ministry which is the children's division of our ministry. They have a godly beautiful daughter, Eliama who is a team leader in the Salt and Light Ministry.

Elizabeth is married to Minister William Brown, Jr who is ordained to preach the gospel and has an anointing as a worshipper and intercessor who flows in spontaneous song releasing prophecy, healing, and exhortation to the glory of God. William also facilitates a Gathering of the Sons Men's conferences.

Our desire as a family is to keep Christ as the central focus in our lives and to be a blessing to others. The Lord uses us to minister together at prisons and nursing homes and we are grateful to be in His service.

Pastor John H. Armstrong of the New Light Community Baptist Church in Cliffwood, New Jersey serves as a spiritual covering and overseer for our ministry.
